"Father does. He saw some of the stuff we were practicing. But he says Hemlock says I should come again. But he could not get up to walk to the wall, and presently the pain came back very sharp in and commoner, becoming a Mage in the Court of the Lords Regent in the Great Port of Havnor? Golden man unwilling to put himself under the iron control of a spell of chastity could never practice. Banners still flew from the towers of the City of Havnor, and a king still ruled there; the banners were those of captured towns and isles, and the king was the warlord Losen. Losen never left the marble palace where he sat all day, served by slaves, seeing the shadow of the sword of Erreth-Akbe slip like the shadow of a great sundial across the roofs below. He gave orders, and the slaves said, "It is done, your majesty." He held audiences, and old men came and said, "We obey, your majesty." He summoned his wizards, and the mage Early came, bowing low. "Make me walk!" Losen shouted, beating his paralyzed legs with his weak hands. "I don't live in this House. In any house," the Patterner said. "I live there. The Grove - ah," he said, turning suddenly. The big, white-haired man, Kurremkarmerruk the Namer, was standing just down the path. He had not been standing there until the other mage said "Ah." Irian stared from one to the other in blank bewilderment. "Oh, yes, like this," and sailed back down smooth as a cloud on the south wind. changed with the years. fast and brilliant, too fast for some of the dancers. During those centuries, He thought what he must do, and how he must do it. He wasn't sure whether he had summoned her or she had come of her own will; he didn't know how she had spoken the word of the Old Tongue to him or through him. He didn't know what he was doing, or what she was doing, and he was almost certain that the working of any spell would rouse Gelluk. But at last, rashly, and in dread, for such spells were a mere rumor among those who had taught him his sorcery, he summoned the woman in the stone tower. conceived ideas of the great story-tellers are copied, stereotyped, reduced to toys, molded in. All the rumors of Roke had said that it was spell-defended and charm-hidden, invisible to ordinary eyes. If there were any spells woven about that hill or the bay he now saw opening before it, they were gossamer to him, transparent. Nothing blurred his eyes or challenged his will as he flew over the bay, over the little town and a half-finished building on the slope above it, to the top of the high green hill. There, striking down dragons claws and beating rust-red wings, he lighted. appreciation. Living with the pirate king, he was sick of boasts and threats, of boasters and. Azver nodded, in silence. Dragons are born knowing the True Speech, or, as Ged put it, "the dragon and the speech of the dragon are one." If human beings originally shared that innate knowledge or identity, they lost it as they lost their dragon nature. Chanter's task is the preservation and

Hemlock might have known then what he was up against; but having told the boy he would not be his master any longer, he could not in conscience command him. "You have a true gift, Essiri," he said, using the name he had given the boy in the springs of the Amia, a word that in the Old Speech means Willow. "I don't entirely understand it. I think you don't understand it at all. Take care! To misuse a gift, or to refuse to use it, may cause great loss, great harm." "What is?" generosity, after three years, to pay his passage to Roke.
