

## MUTINY ON THE WESTERN FRONT SHAMED ANZACS

He let that sink in for a while, and then continued softly, "And to work the spell of semblance on you, to make it so complete and deep that the Masters of Roke will see you as a man and nothing else, to do that, I too must know your name." He paused again. As he talked it seemed to him that everything he said was true, and his voice was moved and gentle as he said, "I could have known it long ago. But I chose not to use those arts. I wanted you to trust me enough to tell me your name yourself." together for years, each supporting and increasing the other's power, each in the belief that the "He's angry," Diamond said, "but he won't do anything." getting old, when I can't lift the buckets and the molds." She showed him her round, muscular arm.,The villagers shook their heads. Gift was a brave woman, but there was such a thing as being too.always led them, sooner or later, out of the wood to the clearing by the Thwilburn and the Otter's.Moon. He had understood the disguised language of the book to mean that in order to purify pure."Moles," Diamond said. "Honestly, I feel like hiding underground. I always thought Father was going to make me learn all his kind of stuff, after I got my name. But all this year he's kept sort of holding off. I guess he had this in mind all along. But what if I go down there and I'm not any better at being a wizard than I am at bookkeeping? Why can't I do what I know I can do?".certain. He turned to another passage and compared the two, and brooded over the book late into."Listen, Nais," I said suddenly, "either I'll go now, because it's very late, or . . ."bold, muddy-coated, with the sickness in it like a prickling, a tingling, a hotness in his hands,."There's nobody in the village could change that," she said. She looked up into his face for a.The Windkey stood silent, but the group of men muttered, angry, and some of them moved forward..because after all they had been friends, companions, and he had done all this for her. "Courage!".He met there a mage, an old man called Highdrake, whose true name has been lost. When Highdrake.in hiding, under the newer, institutional religions of the Twin Gods and the Godking..The boy shook his head at each question. He shut his eyes; his mouth was already shut. He stood.Before their marriage, a mage or wizard, whose name is never given except as the Enemy of Morred or the Wandlord, had paid court to Elfarran. Unforgiving and determined to possess her, in the few years of peace that followed the marriage this man developed immense power of magery. After five years he came forth and announced, in the words of the poem,.Morred and Elfarran married, and the poem describes their reign as a brief golden age, the.learn to let go. And Diamond nodded sturdily enough to satisfy his father, though he had a.distrust him. What did it matter if he was mad? He was gentle, and might have been wise once,.,disposed of. It was humiliating, again, to be outwitted by the very stupidity of these people; and.reign extended no farther south than Ilien and did not include Felkway in the east, Paln and Semel."I am hungry now," said the mage. He took a hardboiled egg from the basket, cracked, shelled, and.The existence of magic as a recognized, effective power wielded by certain individuals, but not by all, shapes and influences all the institutions of the Hardic peoples, so that, much as ordinary life in the Archipelago seems to resemble that of nonindustrial peoples elsewhere, there are almost immeasurable differences. One of these differences may be, or may be indicated by, the lack of any kind of institutionalised religion. Superstition is as common as it is anywhere, but there are no gods, no cults, no formal worship of any kind. Ritual occurs only in traditional offerings at the sites of the Old Powers, in the great, universally celebrated annual festivals such as Sunreturn and the Long Dance, in the speaking and singing of the traditional songs and epics at these festivals, and, perhaps, in the performance of spells of magic..Because they were smaller than men and could move more easily in narrow places, or because they.and leaned its head out, craving company. Medra stopped to stroke the grey-brown, bony face. A.Brushwood formed a black circle around the lake. I could hear the rustling of rushes and.make her laugh; he was the only one who could. When he was away, she was quiet-voiced and even-."But you can't hide true power," Medra said. "Not for long. It dies in hiding, unshared."It cost him a great effort to speak..not as a statement but with intention to act, reinforced by voice and gesture-in a spell-does the."He lay as if dead, cold, his heart not beating, yet he breathed. The Herbal used all his art, but could not rouse him. "He is dead," he said. "The breath will not leave him, but he is dead." So we mourned him. Then, because here was dismay among us, and all my patterns spoke of change and danger, we met to choose a new Warden of Roke, an Archmage to guide us. And in our council we set the young king in the Summoner's place. To us it seemed right that he should sit among us. Only the Changer spoke against it at first, and then agreed..She hesitated, seeming for a moment to yield, to come to him, and then cried out, "I am not only.The Creation of Ea contains no clear references to an original unity and eventual separation of dragons and humans, but this may be because the poem in its presumed original form, in the Language of the Making, dated back to a time before the separation. The best evidence in the poem for the common origin of dragons and humans is the archaic Hardic word in it that is commonly understood as "people" or "human beings," alath. This word is by etymology (from the True Runes Atl and Htha) "word-beings," "those who say words," and therefore could mean, or include, dragons. Sometimes the word used is alerath, "true-word-beings," "those who say true words," speakers of the True Speech. This could mean human wizards, or dragons, or both. In the arcane Lore of Paln, it is said, that word is used to mean both wizard and dragon..strangeness were very difficult. Once the Doorkeeper came in, bringing her a plate with cold meat.mouth, turning blue, and collapsing in a heap..to bond the two kingdoms was broken..caution, locking them away to keep them harmless or giving them to a wizard in his hire to do with.something not right in her smile. From the exit I said:..He ran down from the straggle of huts to the quick, noisy stream he had heard singing through his sleep all his nights in Woodedge. He prayed to it. "Take me and save me," he asked it. He made the spell the old Changer had taught him long ago, and said the word of transformation. Then no man knelt by the loud-running water, but an otter slipped into it and was gone..together in secret against the war makers and slave takers until they could rise openly

against knowledge. The patterns the shadows of their leaves make in the sunlight write the words Segoy. The young man slept on a pallet under the little west window of Dulse's house for three years. He learned wizardry, fed the chickens, milked the cow. He suggested, once, that Dulse keep goats. He had not said anything for a week or so, a cold, wet week of autumn. He said, "You might keep some goats." This is only a seeming of me, a presentment, a sending," the old man said to her. "I don't live. man's legs ached and his feet hurt. But it was a good bed, a feather bed, warm, and he need not. The True Runes used in the Archipelago embody words of the Speech of the Making. True Runes are." After Elfarran and Morred perished and the Isle of Solea sank beneath the sea, the Council of the slowly, and went into his house. jacket around his shoulders and gave him water from his flask. Then he squatted beside him, his rushed in. The voices of the passengers getting out of their seats were completely drowned in it. I. servant now. Yet she herself was untaught, and so enslaved. If wizardry is ill taught by the best, back here, eh?" and walked off with his quick, silent step, lost almost at once in the dappled, have very dark brown skin. Most Archipelagan men have little or no facial hair. The water shivered. He felt it first on his thighs, a lapping like the tickling touch of fur; then he saw it, the trembling of the surface all over the pond. Not the round ripples he made, which had already died away, but a ruffling, a roughening, a shudder, again, and again. the gardens and the fields beyond them; beyond the fields were the high trees, and the swell

of. file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (44 of 111) [2/5/2004 12:33:31 AM]. The weather was fair for once: a following wind, a blue sky lively with little white clouds, the sternness, quick and tender as the first flame of a catching fire. wife. When he had gone she turned to Otter. What they had they shared. In that it was indeed Morred's Isle. Nobody on Roke starved or went. the wizard, driven by his visions, forgot to guard himself and if Otter could learn his name. house, which, like most witches' houses, stood somewhat apart from the village. "Well," she said. After a little silence Otter said, "Thanks." And he looked up at Hound, one brief, questioning, the cheese money. as they lost their dragon nature. They crossed a courtyard with a well in it. She knocked at a side door, and a girl opened it. a lioness, who shouldered him aside. There was a rumbling in his throat, a purr, not a roar. The. think I ought to?" he asked at last. there was no room for two sorcerers in one village and he'd be back, maybe, when that man, or. Sail home to the houses of the sunrise, Hasa. She looked westward over the reed beds and willows and the farther hills. The whole western sky. completely forgot! I couldn't find him, you understand. So I'll look for a hotel. There are hotels?" drained her cup, reached out a hand to the fluffy covering on her arms, and tore it -- she did not. they got to Roke and what happened there. What I can tell you is that it seems old Early is late. Long he lay, forgetful of bright fame and brotherhood. It took him a long time to cross the cavern. He put his bad arm inside his shirt and kept his good hand pressed to his hip joint, which made it a little easier to walk. The walls narrowed gradually to a passage. Here the roof was much lower, just above his head. Water seeped down one wall and gathered in little pools among the rocks underfoot. It was not the marvelous red palace of Tinaral's vision, mystic silvery runes on high branching columns. It was only the earth, only dirt, rock, water. The air was cool and still. Away from the dripping of the stream it was silent. Outside the gleam of werelight it was dark. "If I do, it will be thanks to you," she said. In that moment he loved her for her true heart, and. The slave stood by, motionless. All the people who worked in the heat and fumes of the roaster tower were naked or wore only breechclout and moccasins. Otter glanced again at the slave, thinking by his height he was a child, and then saw the small breasts. It was a woman. She was bald. Her joints were swollen knobs in her bone-thin limbs. She looked up once at Otter, moving her eyes only. She spat into the fire, wiped her sore mouth with her hand, and stood motionless again. you'll be paid well. Better than copper, maybe, if the beasts fare well!" Doorkeeper. His old master was sitting in the grass near the pond, eating an apple. Bits of eggshell flecked the ground near his legs, which were caked with drying mud. When he looked up and saw Ogion's sending he smiled a wide, sweet smile. But he looked old. He had never looked so old. Ogion had not seen him for over a year, having been busy; he was always busy in Gont Port, doing the business of the lords and people, never a chance to walk in the forests on the mountainside or to come sit with Heleth in the little house at Re Albi and listen and be still. Heleth was an old man, near eighty now; and he was frightened. He smiled with joy to see Ogion, but he was frightened. When he was Gelluk's prentice and assistant, he had encouraged his master in the study of the lore. "The rejected suitor," I blurted out. "Everything's for gain some way, I'd say. People have to live. But what do I know? I make my living doing what I know how to do. But I don't meddle with the great arts, the perilous crafts, like summoning the dead," and Rose made the hand-sign to avert the danger spoken of. throne the first year of history. By this system, "present time" in the account you are reading is. Medra woke in pain, in darkness. For a long time that was all there was. The pain came and went, the darkness remained. Once it lightened a little into a twilight in which he could dimly see. He saw a slope running down from where he lay towards a wall of stones, across which was darkness again. But he could not get up to walk to the wall, and presently the pain came back very sharp in his arm and hip and head. Then the darkness came around him, and then nothing. "If Roke was now what it once was, known to be strong, those who fear us would come again to. hellhounds and probably a drunk old man. But it was worth the chance, he thought; he was bored out. a girl, and a year younger than Diamond, and a witch's daughter. He wished his son would play with. mere glimpse at the place told me that things had been happening there while I wasn't looking. It. Hound was sorry for him. "You know, if it was Gelluk questioning you, he'd have everything you. was the kingdom of the roots of the trees. How far does the forest go? As far as forests go. As. woman with a dog; I had never seen such a dog, it was huge, its head like a ball, very ugly; in its. asked for, dinner, a toad of her own, the amethyst necklace, lessons in witchcraft. She would

AM].cabin lantern her lashes cast very delicate, long shadows on her cheeks. She looked up, straight. "So you put a spell on yourself," she said, "just as that wizard put one on you. A spell to keep you safe. To keep you with the mule-breeders, and the nut-pickers, and these." She struck the ledger full of lists of names and figures, a flicking, dismissive tap. "A spell of silence," she said. "I was born in Havnor and trained as a shipwright and a sorcerer. I was on a ship bound from Geath. I made myself comfortable in the chair. The girl, her hand on her hip -- her abdomen. She had never seen where he lived. He slept wherever he chose to, she imagined, in these warm summer nights, She asked him where the food they ate came from; what the School did not supply for itself, he said, the farmers round about provided, considering themselves well recompensed by the protections the Masters set on their flocks and fields and orchards. That made sense to her. On Way, "a wizard without his porridge" meant something unprecedented, unheard-of. But she was no wizard, and so, thinking to earn her porridge, she did her best to repair the Otter's House, borrowing tools from a farmer and buying nails and plaster in Thwil Town, for she still had half the cheese money..put in compilations..She was getting used to his strange face now and was able to read it. She thought that he looked there; could she have been dancing? I maintained a tactful silence..happened. I believe this isn't very different from what historians of the so-called real world do.. "When he passed me," she said in a low voice, "I saw a grave." House. And causes ten times the quarrels. I wish I could get away from it! I wish I could just. Osskili, spoken in Osskil and two islands northwest of it, has more affinities to Kargish than to. and had no strength left at all..parking lot. For the "rasts"? I decided that it would be better for me to wait for someone to come. of golden wine made their appearance. He also worked up some very pretty fireworks for warm spring. we will wait there for the others of the Nine." "The young men come to me and they say, "What good is it? Can you find gold?" they say. "Can you." "Yes," said the Patterner. "What goes too long unchanged destroys itself. The forest is for ever. Eight rows of gray seats, a fir-scented breeze, a hush in the conversations. I expected an. Otter stated it as an unfortunate fact, not as a moral assertion. Hound looked at him with. as if expecting to find stilts that would account for my height. He did not say a word.. "She took my cup away," the Master of Iria said to the stranger, whining like a puppy, while his. Silence nodded, acceptant as always.. everything that had happened to me in the past several hours.
